To Doctor Oldham . . .

One of the greatest influences for dynamic Christian living on the Anderson College campus is the ministry of Dr. Dale Oldham, pastor of the Park Place Church of God. As pastor of a large congregation, leader in Anderson ministerial circles, minister on the coast-to-coast Christian Brotherhood Hour, speaker in wide demand across the country, author of several books and member of many national church boards, Dr. Oldham leads a busy life. But he has always been glad to counsel personally with students about their problems. His direct manner of speaking and his warm contacts with the students have helped us know him as a personal friend and guide in our problems of Christian living.

It is with great respect, therefore, that we, the members of the staff of the 1948 Echoes, dedicate to Dr. Oldham this book. As we in days to come walk down the memory lane of 1948, we know his face and his words will come often to mind.

CHAPEL

FOREWORD

As we grow older, memories play an increasingly important part in our lives. It is with this thought in mind that we start this leisurely stroll back together through the school year that ends in June, 1948. Our memory lane is dotted with the many activities of a crowded college year. It is strewn with the faces of our friends. The scenes are old, familiar ones. The journey should, therefore, be an enjoyable one, now and in the years to come. Look back now with the staff of the 1948 Echoes at a year full of hard work, sorrow and trouble, yet one of happiness, joy and achievement.

From the President . . .

We have come to a critical era in the onward march of the centuries. It is a day when the inventive genius of man has overborne his sense of moral goodness. Many of our most respected thinkers believe that civilization moves on to a swift and awful doom.

The staff and students of Anderson College belong to that fraternity of educators who are convinced that an educational philosophy which stems from materialism, humanism, and secularism is more likely to be destructive than constructive of the ultimate good of humanity; that education to be creative must first be Christian.

I hope that those of us who leave the campus this year, and those of us who remain, may ever keep to the forefront this basic concept of the type of education Anderson seeks to promote.

JOHN A. MORRISON
President

From the Dean . . .

Throughout America excellence is too often defined in terms of size. What political or social unit does not boast of the biggest something in the state or country?

Jesus did not boast of numbers. Numerically few were his followers. Although Anderson College could boast of dimensional growth, far more important than quantitative ascendancy is qualitative achievement.

The accomplishments of the past few years will stand as landmarks to those who look back twenty-five years hence. Here are some of the achievements that will be remembered: a completely standardized curriculum; adequate undergraduate courses in business, teacher-training, music, art, and theology; preliminary professional training in medicine, law, engineering, divinity, social, and public service—all made possible by standard modern laboratories, a functional library, and an unusually competent faculty.

Few colleges have been as completely streamlined in personnel and guidance services to students, in medical aid and hospitalization without extra student charge, in the soundness of religious impact, in the selective standards for admission, in a student centered approach to life's problems. And all in a quarter of a century.

RUSSELL OLT
Dean

ROBERT H. REARDON, B.D., S.T.M.

Mr. Reardon returned last fall to his Alma Mater as Assistant to the President from a pastorate in Pennsylvania. He is well known in the community, his father having been pastor of the Park Place Church of God for many years. His presence on the campus is helping to relieve the burden of duties carried by Dr. Morrison since his illness last year.

VILA DEUBACH, PH. D.

In addition to heading the English Department, Dr. Deubach is the Co-ordinator of Student Personnel. In this position she directs the newly established office of student personnel, which serves the students in many ways and which has attracted considerable attention from other colleges.

ADAM W. MILLER, A.M., D.D.

All men sooner or later get acquainted with Dr. Miller, Head Men's Counselor. With the expansion of counseling service for students, Dr. Miller has found himself with a key job in the personnel system.

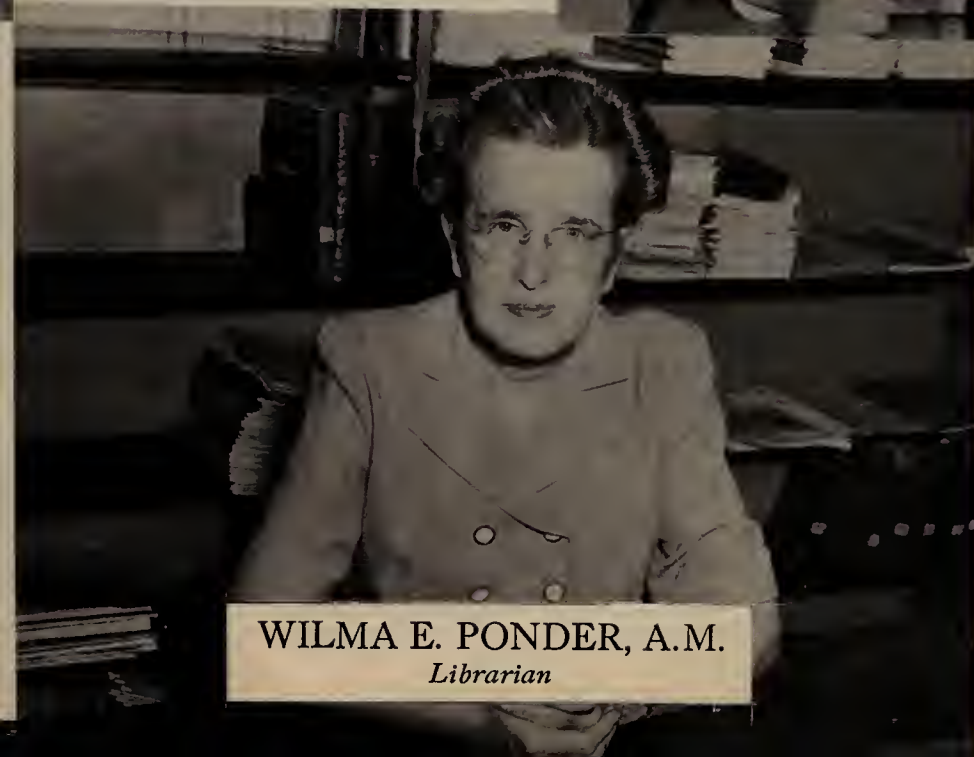

NANCY OSBORNE, PH. D.

At the head of the feminine side of the counseling system is Dr. Osborne, Head Women's Counselor. Her task involves dealing with the problems of Anderson College's co-eds, this in addition to her duties as Romance Languages professor.

CLASS OF '48 LOOKS BACK

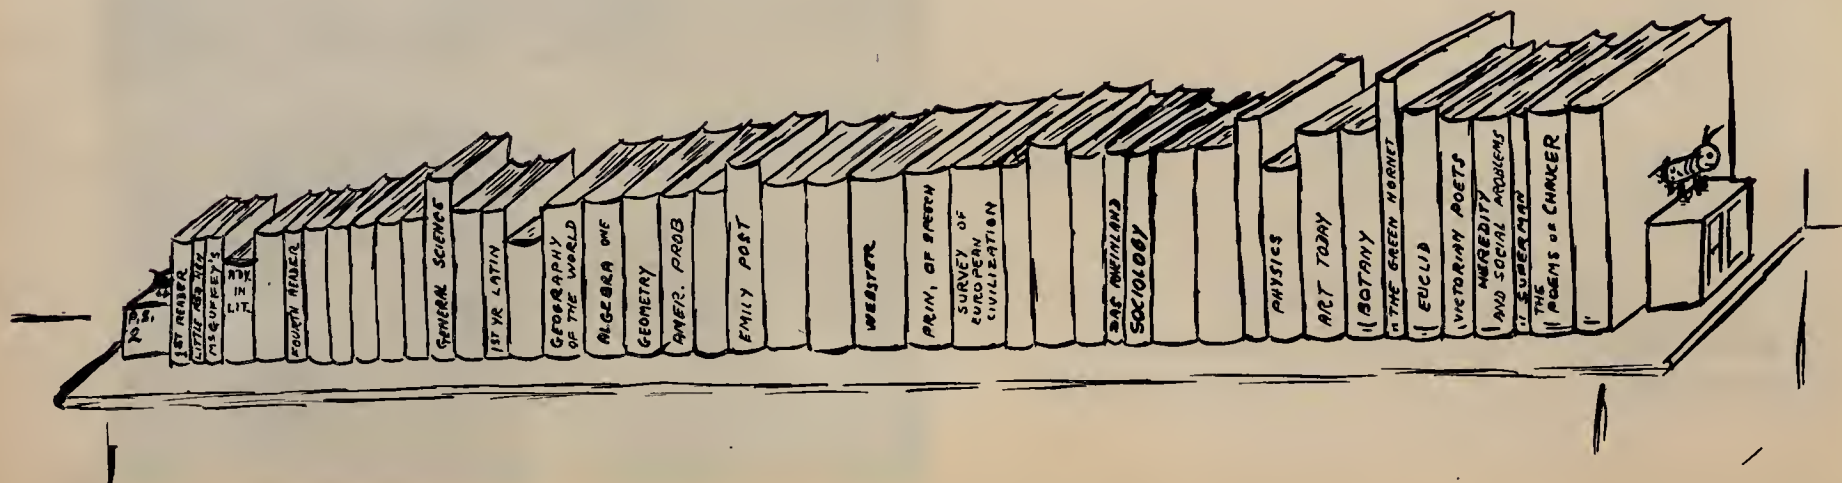

More than two hundred young freshmen matriculated at Anderson College in the fall of 1944 to form the largest entering class in the history of the College up to that time. Women students were predominant in that wartime class, only a few men exempted from armed service being scattered through the group. Officers for the freshman year were the late Eunice Jones Rusten, president; Ross Mitchell, vice-president; Kenneth Hall, secretary-treasurer.

Taking on the new dignity of sophomores the following fall, the class of 1948 started out by enjoying themselves at an elaborate initiation of the freshmen. Kenneth Hall was the presi-

dent for this year, with Wallace Waters as vice-president and Estalee Barr Silver as secretary-treasurer.

By the fall of 1946 dozens of veterans had flocked back to school and had achieved junior status, making the class better balanced. Kenneth Hall acted as president until February when he resigned to organize *The Andersonian*. He was succeeded by Joe Crane. Other officers were Glenn Falls, vice-president, and Janice Elston, secretary-treasurer.

Finally, after four long years of study and work and play, the class of 1948 has come to the end of its way at Anderson College. Senior class officers were Joe Crane, president; Barbara Haas, vice-president; June Burkhart, secretary-treasurer.

CLASS OF '49 LOOKS BACK

Leading the class of young hopefuls entering the halls of "Old Main" in the fall of 1945 was Larry Smith as president. He was very ably assisted by Gerald Culbertson as vice-president, and Adeline Brotherton as secretary-treasurer. This class first showed the results of the returning G.I.'s with the relative numbers of men and women fairly well balanced.

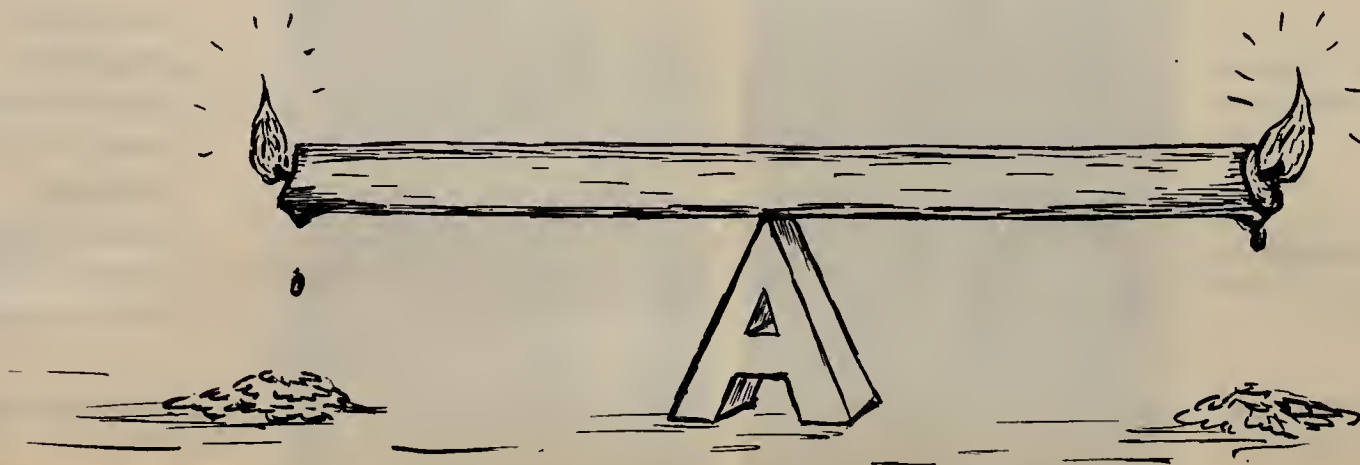

All parts of the country and the continent were represented as usual, with students from Canada, Texas, Anderson, Ind., and Punxsutawney, Pa.

As sophomores, the class of 1949 elected as president John Kinney. Assisting John were Afton Bishop and Velma Snyder

vice-president and secretary-treasurer respectively. The ranks of this class swelled again with an influx of men returning from service who had accumulated enough credit hours to be admitted as sophomores.

John Kinney proved an able and popular leader and was elected almost unanimously to steer the class through its junior year. John had new helpers in Donna Thomas as vice-president and Vivian Phelps as secretary-treasurer.

Scholastic achievement and extracurricular activities have reached a favorable balance under the leadership of each group of officers.

OSWALD MURRAY:
A BIG BRIGHT—SMILE!

Since this fall was our first season of football, this little ditty is dedicated in gay remembrance:

A FOOT ABOUT BITBALL

Modern Spoonerism by Colonel Stoopnagle

Football is a very spuff roart, and it takes men with lurdy stegs, massel finds and gots of lutz. It sometimes results in noaken broazes and harley chorses and often leaves the player in a kate of temporary stoama, necessitating his being ferried from the streeld on a ketcher. Therefore such thulky bings—and I'm not crozbing about Speakby—as poalder-shads and other peritective prophernalia are required to bresson the number of loozes and keep minns at a bumpimum.

The plame is gayed on a grid called a field-iron and the rawl, instead of being bound like a boap subble, is shoavel-aipt, like an eggin's rob, so it will kounce bock-eyed and plool the fayers.

When the whifferee's wrestle blows, the stay plarts,

and when it blows again, stay plops. The whole idea is for one team to make a skigger boar than the other, and the one with the pewest loints foozes.

If you wish deether furtails, consult the crezzi-dent of almost any pollidge, who will happily refer you to the foalen swunds in his athpartic deletment.

The sayers on each plide fine up as lollows:

Teft Lackle	Geft Lard Soaving Renter	Gight Rard
	Tight Rackle	
Eft Lend	Borter-Quack	Ight Rend
	Heft Laugh	Height Raff
		Bull-Fack

P.S.: Oh, yes, and an umferee and two reffpires.

STUDENT-FACULTY PERSONNEL COUNCIL

The purpose of this representative council is to co-ordinate all student activities of Anderson College and to stimulate co-operation and efficiency in student organizations and committees. It gives immediate direction to committees which promote and regulate athletics, publications, social life, student organizations, health, recreation, and religious life.

Publications Editor in Chief

MARION SELL

MELVIN D. GOERZ
Publications Business Manager

The new position of publication editor in chief was established this year to co-ordinate activities of the staffs of the *Echoes* and *The Andersonian*. Kenneth Hall, who the year before had served as first editor of *The Andersonian* and also as Associate Editor of the *Echoes*, was named to fill this office. In this position he was responsible to the Student-Faculty Publications Committee and the College Administration for the general policies of the student publications.

A yearbook without pictures would be rather dull. It was the duty of Publications Photographer Marion Sell to help fill this book with pictures. This book contains several hundred of his pictures, and dozens more may be seen in *The Andersonian*. Many of his pictures have appeared in the *Alumni News*, *Gospel Trumpet*, local and Indianapolis newspapers. Altogether, he has been one of the busiest persons on the campus this year.

As business manager of student publications, Melvin Goerz also filled a newly-established school position. He directed the business staff which functioned for both the *Echoes* and *The Andersonian*, this after serving as first business manager of *The Andersonian* the year before. The problems of circulation, advertising, and keeping the staffs of the publications within their budgets were his major headaches.

To all who have made the publication of
this 1947-48 Echoes possible—our
deepest appreciation.

It is almost impossible to capture the
spirit and color of college life and to
reproduce it with such unresponsive ele-
ments as ink and paper, but we have
tried our best to publish a record that
will "echo" some of the true spirit of our
campus life. As you turn the pages of
this volume five years hence, twenty-five
years hence, or even fifty years hence,
we hope the contents of this Echoes will
help you to "Remember . . ."

The familiar design of their club pin, including the orange and black of Anderson College, the Christian cross, and the *fleur-de-lis* signifying brotherhood, embodies the purpose of the Club: promoting the College, the cause of Christianity, and, through this united effort, fellowship with each other. The club was organized in October, 1936, under the sponsorship of R. Edgar May, college athletic director at the time.

The traditional State Stunt night is sponsored by the Boosters with the Michiganders winning first place this year. The major project for 1947-48 was the purchase of a scoreboard for the new athletic field. The proceeds of the Sachem-Booster basketball games were contributed to help send the debate teams to the National Forensic Tournament held in Virginia. Another benefit provided by this organi-

zation is the scholarship which is awarded annually to an outstanding scholastic-athlete. They also sent several hundred pounds of clothing to needy in Europe.

Activities for this year were under the leadership of: Kenneth Kinion, president; Eugene Powell, vice-president; Charles Thomas, treasurer; Jodie Hollaway, secretary; Robert Baker, historian; Dr. Val Clear, faculty adviser.

*Hail, Comrade! Loyal comrades we.
For the truth seek we faithfully.
Ever firmly and bravely we'll stand,
Extending others a helping hand.
We will share adversity or gain,
Forge with friendship a mighty chain.
We'll be loyal in word and deed
To our A.C. Camarada Creed.*

The organization's main objective is to hold high the torch of friendship and service through

daily Christian living and in sponsoring service projects for the school and others. This club was organized in the fall of 1942 upon the realization of the need for another girls' service club. Camarada, the Spanish word meaning "comrade" or "partner," and symbolized by the clasped hands on the emblem, is an ideal to which each girl aspires. The annual all-school caroling party was again sponsored by the club. The girls worked untiringly for the success of the comic operetta, *Heartless House*, which

they presented on February 28. The proceeds of this production were given to help in the Rhur Valley Project. Contributions of various sorts and minor activities made 1947-48 a successful year under the capable leadership of Ina Jean Gorton, president. Her co-workers were: Betty Holder, vice-president; Helen Hamlin, secretary; Elaine Schroeder, treasurer; Clara Richardson, historian; Miss Virginia Diezel, faculty adviser.

Club Song Velma Snyder

*We will raise a mighty cheer
For our club, if far or near.
Loyal we will always be,
Always willing, always true.
Oh, 'Can I help you?' is our motto,
Faithful service we will do.
And our work is never done,
For we're the Cihu Club of Anderson.*

In March of this year, the Cihus celebrated their second birthday. Cihu, an abbreviation of the words "Can I Help You?" was adopted from a pamphlet of the same name written by Frank C. Laubach. Their purpose is embraced in the club motto. A concrete example of their help was shown in their sending of a CARE package each month to some needy family in Germany. The all-school roller skating party

and the annual spring picnic were other expressions of their desire to serve. They contributed to other worthy projects and were always found to be willing workers. The year's activities were piloted by Gertrude Naujoks, president; Afton Bishop, vice-president; Mildred Nickell, secretary; Lorraine Smith, treasurer; Miss Zylpha Hurlbut, faculty adviser.

The main object of Pep Club is to promote Christian Personality, Education, and Progress. These qualities are emphasized (1) through spiritual growth of members, (2) through scholastic endeavors, (3) through an appreciation of music by the club's choir, which presents religious and semiclassical programs, and (4) through its support of school spirit and worthy college projects. The high light of the

year was the annual Musical—an event of April 30. The choir appeared at the Park Place Church several times, at the W.S.G.A. formal banquet, made recordings for Tru Tone, and participated in some of the Christian Brotherhood Hour broadcasts. The club also sponsored the dramatic artist, Ruth Ann Ramsay, who presented *Friend Hannah*. The main project for this year was to buy furnishings for the

snack bar to be set up in the Student Union, now under construction. Officers for 1947-48 were: president, Doris Bowser; vice-president, Gayle Shervey; secretary, Jo Baxter; treasurer, Don Deena Fleenor; faculty adviser first semester, Dr. Candace Stone; faculty adviser second semester, Miss Lucile Willowby.

1948 marked the Sachem's Tenth Anniversary. In keeping with the name, which is the Indian word for chief or leader, the Sachem Club was very busy this year. Contributions of several kinds were made to the school and to other institutions. Their part in European relief consisted of sending several dozen knitted shirts to German children. Under the auspices of the Sachem Club, several of the College basketball

games were broadcast. At Homecoming in November, 1947, the Sachem oak was planted on the site of the "ol' Twin Oaks." The proceeds of the Booster-Sachem games were used to help in sending the debate teams to the National Forensic Tournament. This year also marked the beginning of the Sachem Scholarship Series—designed to help some worthy student. This year's scholarship was awarded to Samuel Betts.

The year's full program was directed by Samuel Sharp, president; John Kane, Jr., vice-president; Norman Sweeny, secretary; Joseph Puchek, treasurer; Glenn Falls, historian; Albert Ratcliff, sergeant at arms; Dewayne Bell, chaplain; Marvin Hartman, reporter; Prof. George Ramsey, adviser, pro tem; Dr. Carl Kardatzke, faculty adviser.

semester. *A Grain of Wheat*, the production of the second semester, is taken from a novel of the same title by Toyohika Kagawa. *A Grain of Wheat* is a three-act religious drama involving the major theme of world friendship. This production was taken on a tour of Church

of God congregations in Indiana and Michigan. The officers of this busy year consisted of Harry Redmond, president; Delores Smith, secretary; Charles Treffry, treasurer and Dr. Julia Eaton, faculty adviser.

The club, an

organization of about 100 persons, carried out an interesting schedule of monthly programs including the presentation of a number of chapel speakers. Community interest and backing of the club were emphasized by the acceptance by more than 70 prominent Anderson citizens of invitations to serve as city sponsors of the club. The club is affiliated with the Carnegie Endowment for International Peace and

the Collegiate Council of the American Association for the United Nations, Inc. Officers for 1947-48 included: John Bouseman, president; Marvin Hartman, first vice-president; Jack Taylor, second vice-president; Claire Gayle, third vice-president; Claude Good, secretary; Frank Robertson, treasurer; Prof. Carol Helvey, faculty adviser.

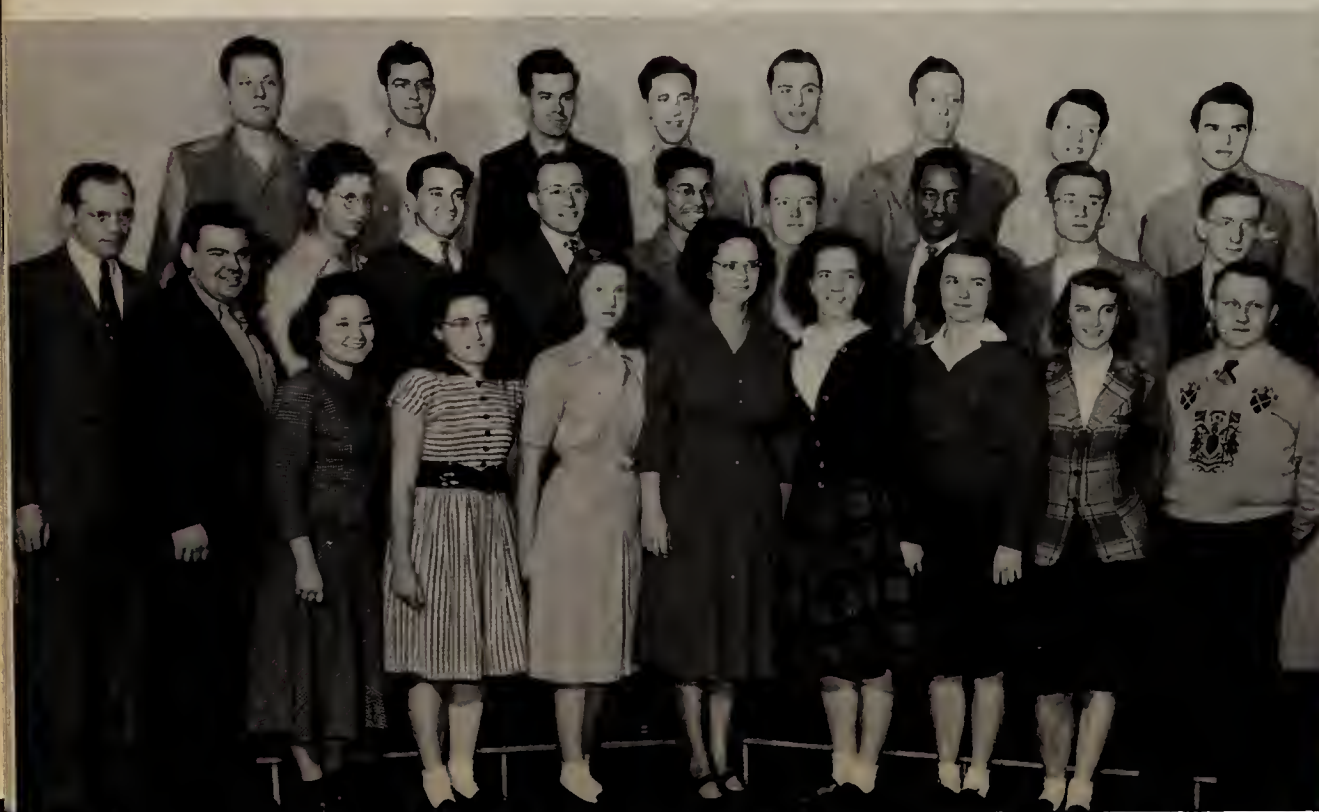

German Fellowship

The German Fellowship came into being out of the natural fellowship of the German classroom, with the voluntary expression of sympathy which the students gave by helping to send food packages to Germany. Its purpose is to promote a greater appreciation for German culture and a better understanding of the German people. It also purposes to encourage the

development of the German language among its members. The general chairman for this year was Donald Puller; secretary, Rheba Hopkins; treasurer, Marilyn Butgereit; project chairman, Oswald Murray; faculty adviser first semester, Miss Anna Koglin; faculty adviser second semester, Prof. Arthur Hoffmann.

The national college debate question for this year was "Resolved That a Federal World Government Should Be Established." This topic was used for all intercollegiate debating. These teams met teams from Butler,

Manchester, Ball State, Purdue, Franklin and several others.

As a grand final to a strenuous season of debating activities, the debate teams toured to the University of Virginia to participate in the Grand National invitational debate tournament. Prof. George Ramsey has proved to be an excellent coach for the "Forensic Ravens."

Fine Arts Clubs

The purpose of the F.A.C. is to promote and encourage art in the four fields—literature, drama, music and visual art. Two teas were held—one featuring Miss Marie Lien and her violin. The daily prayer meetings were sponsored by this Fellowship. A series of lectures were given by Dr. A. W. Blackwood, professor at Princeton, who was brought to the campus under the auspices of this organization.

They also sponsored the showing of the film, "Journey into Faith," in keeping with the Easter season.

Yesterday—The Student Volunteer Union is a national organization of missionary endeavor among colleges and universities. It began sixty years ago as a department of the Student Christian Missionary Movement to motivate the minds and talents of young men and women toward the field abroad.

Today—As an active student organization, the Student Volunteer Union has grown to feel home missionary needs as well as those of the foreign field.

Tomorrow—The future Student Volunteer Union will be found challenging students not only to give themselves in foreign and home missions but, also, to dedicate their lives as missionaries in whatever field of work they enter. Among the very interesting programs presented this year was the short drama, *Glorious Adventure*, written by Audrey Evans. One of the great speakers heard was Miss Simone Courbot, a French representative of the World Student

Service Fund. Miss Naomi Randall showed some slides on Alaska during one meeting. Officers were: president, Henry Dodson, first semester, Earl Henshaw, second semester; vice-president, Naomi Boddy, first semester, Marjorie Lammers, second semester; recording secretary, Wanda Jones; corresponding secretary, Ruth McQuinn; treasurer, Glenn Rankin; faculty adviser, Dr. Adam Miller.

One of the most inspirational organizations on the campus is the college choir. Although it has proved beneficial in both religious and secular fields, the singing of religious music is its main emphasis. Under the very able direction of Prof. Robert Nicholson, the choir functioned in various

capacities, including regular participation on the Christian Brotherhood Hour, providing a major part of the music at the annual Campus May Festival, giving occasional renditions in chapel, and the annual touring of churches in near-by states, giving nightly concerts. This

year from April 18 through 25 the choir toured parts of Illinois, Kentucky, Missouri, and Indiana. While in Bloomington, Illinois, the choir attended a presentation of the American Passion Play.

The Men's and Women's Glee Clubs are separate organizations directed by Prof. Robert Nicholson and provided for the purpose of singing both secular and religious music. Their activities included a Christmas Concert of individual and combined presentations, singing in the various churches of the city, participation in the annual Campus May Festival, and occasional singing in chapel.

Anderson College Quartette

The major work of the quartette consisted of singing in various churches in Anderson, throughout Indiana, and in Ohio and Illinois. While visiting in Chicago this foursome appeared on the Youth for Christ program at the Moody Bible Institute. They were also featured on the Christian Brotherhood Hour.

This summer they plan to appear in revival meetings, camp meetings and other church services in several states including Michigan, Indiana, Ohio, Kentucky, Tennessee, Mississippi, Pennsylvania, and South Carolina.

Ralph Portwood, second tenor; Eugene Dyer, first tenor; Homer Schauer, baritone; Marion Mittan, bass.

A. C. Pep Band

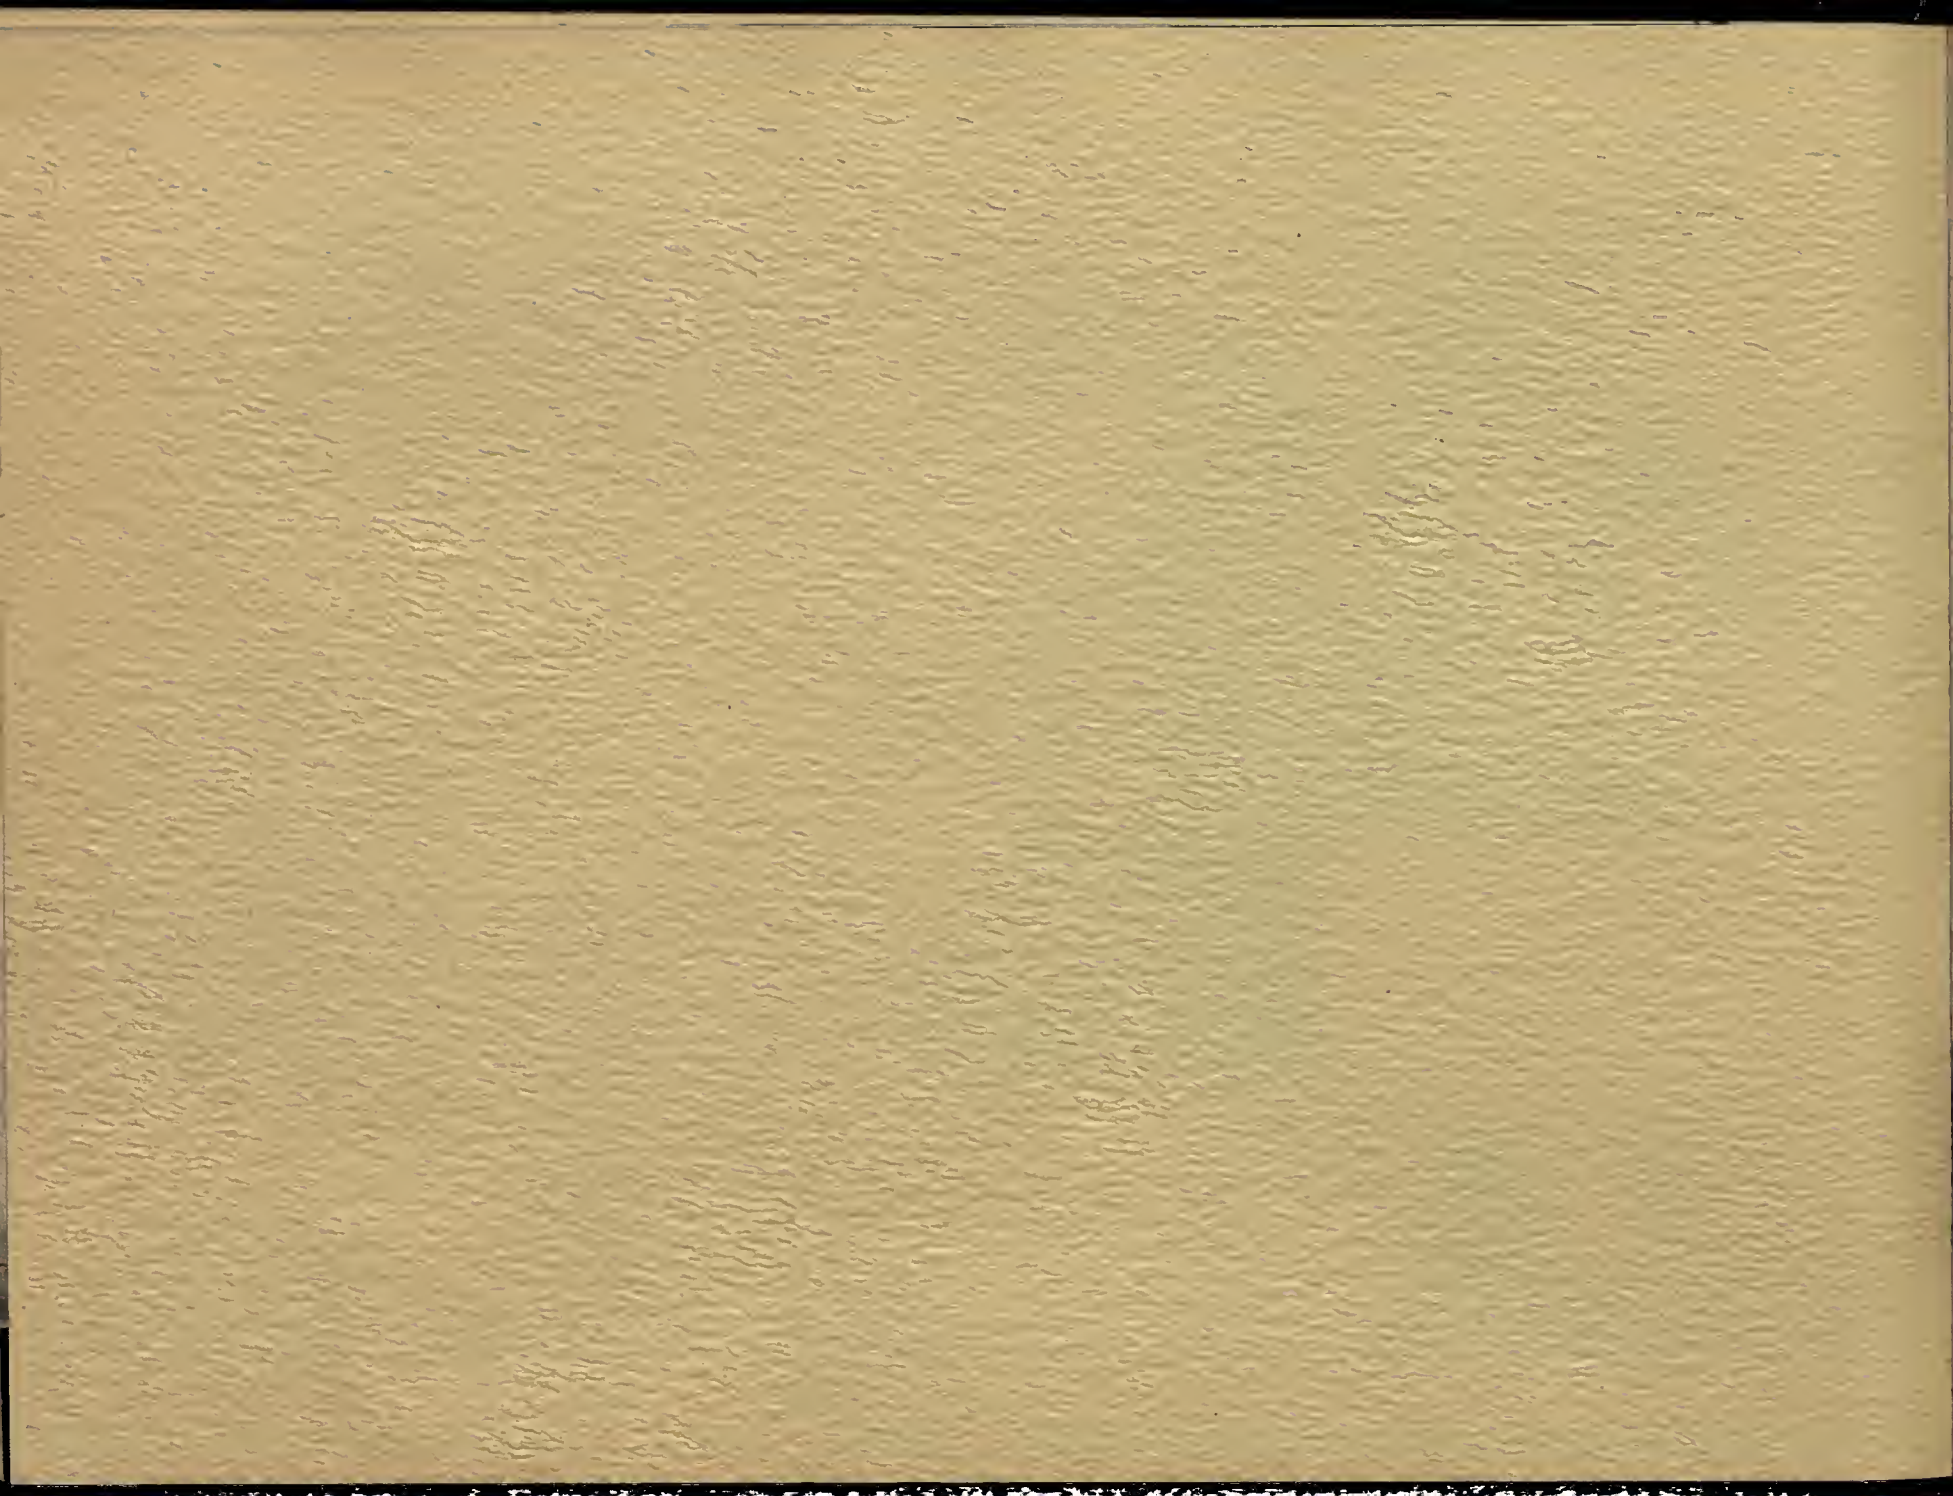

Despite Petrillo and his ideas, this small but powerful organization, under the direction of Charles Thomas, played a great part in spurring this year's team to victory. It added zest to the cheering section and set the pace for the entire basketball season.

Cross Country—Hoosier Champs

Raven cross country runners put in a busy and successful season, meeting Manchester, Ball State, Canterbury (twice), and participating in the Big and Little State meets. Besides taking first place in the Hoosier Conference, they came in sixth in the Big State and third in the Little

State meets held at Indiana University in the late fall.

Beginning its first year in inter-collegiate football, Anderson College Ravens battled the Manchester Spartans to a scoreless tie for the season's opener. The team showed remarkable co-ordination in this initial contest.

In spite of the sterling performance turned in by the Raven gridders, sparked by half-back Bob Weaver, the Franklin Grizzlies managed to eke out a 19-12 victory, scoring two touchdowns in the last five minutes of play.

ANDERSON 7
 HANOVER 26

Thanks to a smooth-working aerial attack on the part of the Panthers from Hanover, the Ravens were submerged by a score of 26-7. The strong arm of Peterson, Hanover's great halfback, proved too much for the Raven defense. Don Lewis scored the lone Anderson touchdown.

ANDERSON 38
 McKENDREE 0

Anderson broke into the winning column by overwhelming McKendree of Illinois, 38-0. After being held to but one touchdown in the entire first half, the Ravens, led by Roy Jacobs, unleashed a steam-rolling attack that only the final whistle could stop.

points per game was good enough to place it third in the nation on offensive averages.

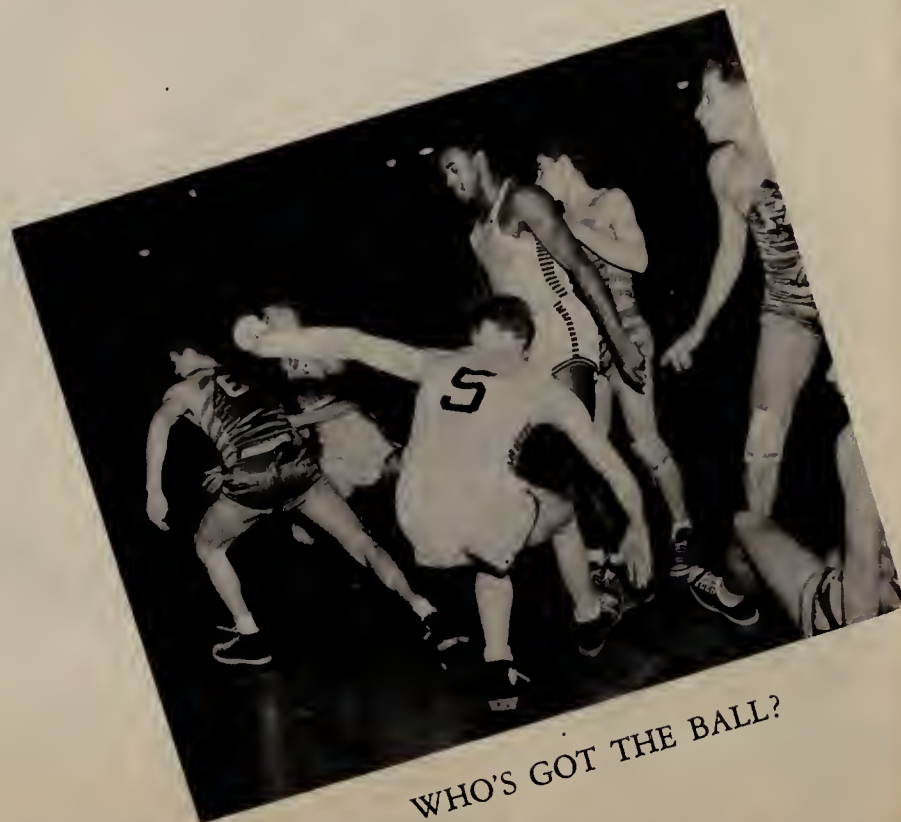

The team's play was characterized by the emphasis on offense, although the Ravens also had the best defensive record in the Hoosier Conference. The team used successfully both the fast break and deliberate styles of play.

Anderson started the young cage season off in December by opening up with two impressive home court victories over Olivet of Michigan, 83-59, and Franklin, 81-67. Wilson and Milton paced the Raven scoring. The Heddenmen were colder than the weather outdoors when Wabash kicked the dope bucket over and topped the Ravens at Crawfordsville, 45-42.

Basketball Season

Anderson's basketball Ravens piled up this year the best record of any Anderson College cage squad in history, winning eighteen games and losing five. This record was good enough to help Anderson with the first Hoosier College Conference title with nine wins and one loss. The Ravens' over-all record was second in Indiana only to Indiana State.

The Ravens' scoring was paced by Indiana Scoring Champion Johnny Wilson, who racked up 565 points for a new state record. Of the total 1584 points scored by the team in twenty-three games this year, Mingle came through with 203, Anderson for 156, and Parks for 149. The team average of 68.8

WHO'S GOT THE BALL?

Anderson then piled up a three-game winning streak as they dumped Olivet, this time in Michigan, 70-60, and then came home to out-race St. Joseph, 80-71, and to take a conference game from Earlham, 61-57.

Eastern Illinois spoiled New Year's Day and the Terre Haute Midwest Tourney for the Ravens with an 83-67 triumph despite Milton's 27-point performance.

The Ravens showed definite improvement after a nine-day rest and easily took the next two Hoosier Conference foes in to camp: Canterbury, 76-50, and Hanover 78-62. Manchester, with Wendy Beck holding Wilson to nine points, made a game of it but lost, 56-62, as the Ravens gained their fifth straight conference victory.

Between semesters the local crew made an appearance at Cincinnati Music Hall, only to sing a swan song to the rangy Bearcats of Cincinnati University, 78-60. Wilson hit for thirty points, however, to establish a new Music Hall record. The

WINNING SPIRIT!

ANDERSON FIRES

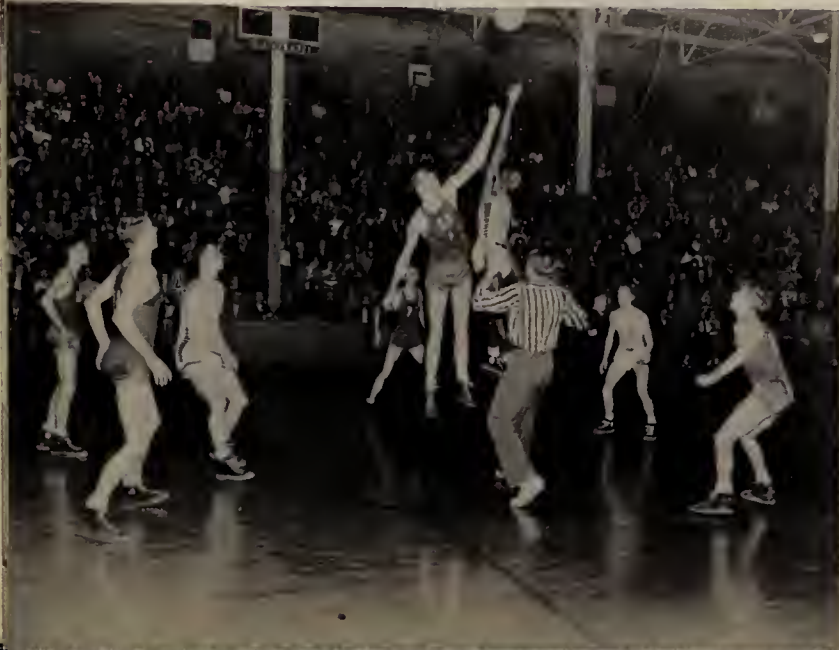

Anderson reserves helped redeem the evening by edging Wilberforce University, 47-37, in the other half of the double-header.

February saw the stretch drive for the Hoosier crown, and despite injuries and scholastic difficulties, the Ravens started off the month with three more conference wins. Franklin fell, 49-44. Anderson topped Indiana Central, 82-62, and Manchester, 60-53. Defiance pulled an upset in the Ohio town and edged the Ravens, 64-63. Anderson came home to squeeze past Evansville, 41-40, and to drub Dayton, 86-65. Indiana Central gained revenge to give Anderson its only conference loss, 79-52. Wilson and Company then proceeded to wind up the season with five straight wins. They downed Ecuador, 79-46; Defiance, 81-56 (sweet revenge); Canterbury, 63-48; Wilberforce State, 80-47; and Rio Grande, 88-48.

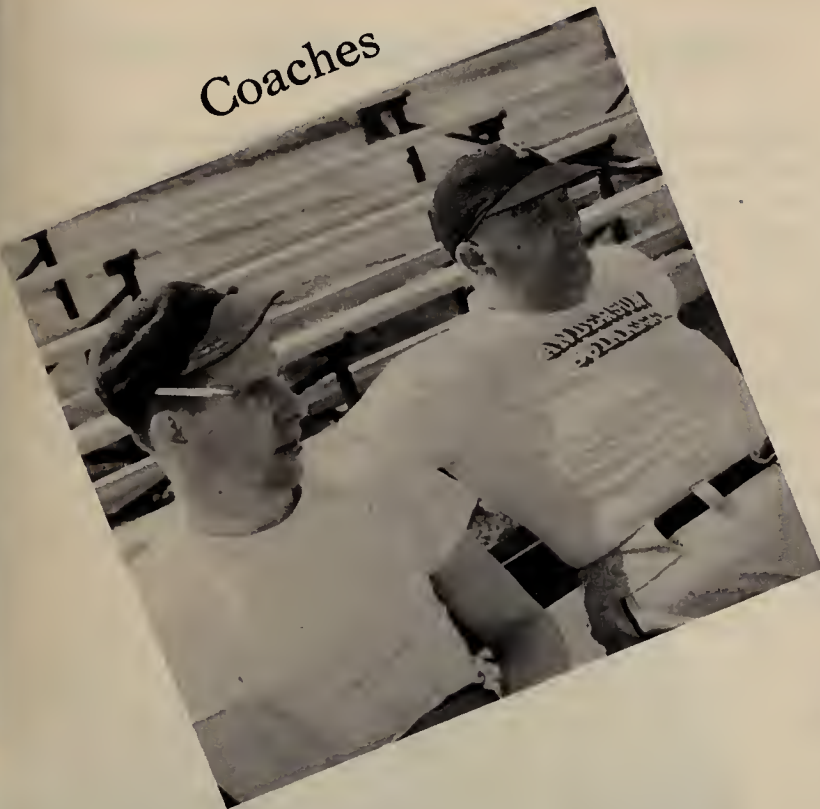

Anderson's All-American

Anderson College's candidate for All-American honors in basketball is "Jumpin' Johnny" Wilson, who after two years in college has scored 1080 points. This performance has been good enough to break two Indiana scoring records and to rank him third in the nation this year. He has been named to Indiana, Hoosier Conference, and Midwest all-star teams. This total of 1080 points has been compiled against some outstanding opposition. For instance, he racked up thirty points against Everett Case's North Carolina State Wolfpack and duplicated this effort at the University of Cincinnati. His twenty-two points early in his college career against Xavier is his lowest showing against the better-known teams.

John came to Anderson College the fall after he had spearheaded a drive that brought Anderson High School an Indiana Championship in 1946. He also led the Hoosier High School All-Stars over the Kentucky All-Stars in June that year.

Coaches

Pictured at the upper left is Frank "Pop" Hedden (right), director of athletics, and Jim Sibert, physical education head, who brought the Raven athletic squads through the successful 1947-48 season. Not shown in the picture is Clarence "Butch" Burns who assisted in the football and basketball departments.

Cheer Leaders

Intramural Basketball

The rough-and-tumble intramural basketball schedule came to a close with the Married Men No. 1 (shown in picture at left) and the Colored Aces (below) on top in their respective leagues. The married men then beat the Colored Aces to take the school championship.

RUNNERS-UP

Women's Athletic Association

Under the direction of Miss Gladys Rydeen, Physical Education director for women, the W.A.A. met each Monday night, going through the many gymnastics which helped them to retain that "new look" of the 1947-1948 school year.

In the picture above the girls demonstrate that basketball is also a feminine pastime. Maxine Hill (second from left and president of W.A.A.) has just thrown the ball up for a "jump ball." Volleyball is another sport being enjoyed by the girls.

MERRY-GO-ROUND

Women's Athletic Association

The five girls pictured below gained the distinction of becoming the champion bowlers for the city of Anderson in a women's bowling tourney. Nancy Corning paced the college team with a high game of 160.

Three games were played by each of the 14 teams entered in the contest. In their best game of the three the college girls made a team average of 123—quite high for a women's league.

Left to right, they are: Maxine Hill, Ardyce Eliason, Nancy Corning, Natalie Reagan, and Anne Allendorf.

In the picture at the left the W.A.A. girls are shown staging a "human merry-go-round" for the photographer.

SHUFFLEBOARD

The campus "Rec" Hall furnished many happy leisure-time hours for students during 1947-1948. Among the many activities were ping pong and shuffleboard.

Playing shuffleboard are Ivanell Henderson, Johnny Mowery, and Martha Walker.

In the picture at the left are the two finalists in the preliminary table tennis tournament. Wallace Messer (foreground) was champ with Lee Theodore (background) running a close second.

Spring Sports—Track

The 1948 track season proved very successful for the Raven cinder-pounders under the careful supervision of Jim Sibert, physical education director. The distance men were paced throughout the season by Don Boze whose long legs proved very beneficial to the

team in the mile and two mile events, well supported by the rest of the team.

John Wilson showed true to form right from the start of the season by running the 100 yard dash in 10 seconds flat, breaking the pre-

vious Anderson college record of 10.1 which he set in 1947.

In the initial meet of the season the Anderson speedsters took a fourth place position in a very hotly contested meet of eight colleges on the Rose Poly campus.

FIELD EVENTS

Since the track and field facilities on the Anderson campus were not fully completed this year, it was necessary for the Raven "thinclads" to go off campus for their practice sessions. Despite this fact, however, the Anderson speedsters were able to make a good showing in the various events.

Here we see Fred Sponhaltz at right throwing the discus; Carter Byfield, lower right, who paced the pole vaulters for Anderson; and Bob Stone, below, shot-putter.

Anderson's golf team came through according to tradition this year, making an exceptional showing in their meets. Oscar Melson, captain of the Raven linksmen, proved to be one of the best golfers in the Hoosier Conference.

The tennis team showed considerable improvement over last year's racket-swingers. Captained by Kenny Kinion, they turned in a good season, representing the College well.

Baseball

Off to a slow start, the Raven baseball crew came back to compile another good record on the diamond. Ranking high among the team's accomplishments was the 7 to 5 defeat

dished out to the powerful Ball State nine, whom the Ravens had never beaten in an athletic contest previous to this year. "Pop" shifted the team around quite a bit this year. Norman

Walker, who pitched for the Ravens last year, was put on first base and John Wilson, last year's first sacker, went to center field where his "10 second 100 yard dash" legs

Eight players from last year's squad were back this season, among them Bob Macholtz, back for his third year as a Raven pitcher. Others playing at least their second year for Anderson include pitcher Bob Sumpter; infielders Loren Wil-

liams, Don Barnett, Percy "Dad" Tramel, and Norman Walker; outfielders John Wilson and Ed Harter; and catcher Jim Macholtz. Among the newcomers is pitcher Jerry Brandon, graduate of Anderson High School who entered college at mid-semester. Jerry pitched the memorable game in which Anderson defeated Ball State.

STANDING on the side lines
while another generation makes its debut might
seem at first to foster a spirit akin to
melancholiness . . . but should it? While we do not

What is the Alumni Association?

A fellowship of all who have attended Anderson College—organized in city, state, district, and national chapters.

Why is the Alumni Association?

Because former students and graduates of Anderson College want to keep in touch with their Alma Mater and the friends they met here. This can best be done through their own organization: its paper, the *Alumni News*; its fellowship meetings; and its own program.

What is the Alumni Association program?

Service of every nature to all Alumni.

Service to Anderson College through the raising of an annual Alumni Fund from the members.

Service to Anderson College through the promotion of annual College Sunday for the Church on the second Sunday of each November.

Service to the Church—informing the Church of the work of her College. Representing the College at general assemblies and conventions of the Church.
